

## **CAREERS RESEARCH**

- A. Research the career you are interested in pursuing.**
- B. Create a PowerPoint slide show.**
- C. You must use a minimum of 2 different electronic sources listed on the Freshman Focus Career Pathfinder.**
- D. You must use a third source of your choice. Use the NES to find a research quality website.**

### **POWERPOINT REQUIREMENTS:**

- 1. Select a design for your presentation.
- 2. The title slide will include the name of your career and your first and last name.
- 3. Include at least one image total.
- 4. Use bullet points to describe the following components (you may need more than one slide). The components will answer your question.
- 5. Each component must include a level 2 or level 3 question (this will serve as your title to each slide). Refer to your 3-Story House. Use a variety of Costa's Levels of Thinking and Questioning.
- 6. Each slide must include your source.
